

Laurie Paul-Fishleigh

Laurie originally joined SAJ in 1981 with Chinook Winds Show Chorus. She joined Rhythm of the Rockies in 2002, shortly after we chartered. However, real life beckoned and she rejoined in 2014. Laurie has had some significant health challenges, including one or two surgeries... okay 23 surgeries! However, she jumped right in offering her skills with an optimistic outlook, strength of character and sunny disposition.

She was Team Co-ordinator, through our change in Director and the pandemic. She co-chaired ROTR's 20th anniversary and Mary Hagar's retirement party. She is our contest coordinator and is currently singing tenor with Kaleidoscope. Laurie's riser mates have commented: "heart of gold, works tirelessly, tenacious, cheerful and has the best smile and laugh"

Laurie is married to Stephen, has a grown son Adam and a black lab named Kasey. She teaches Microsoft and loves to spend summer weekends at Gleniffer Lake.
