

Lori Slack

Lori's musical journey began many years ago with music lessons, band, choir, community theatre and continued into her adult years.

When Lori joined Chinook Winds five years ago, we knew she was someone special and she quickly became an integral part of our chorus.

Friendly, helpful, intelligent and generous, she immersed herself in various aspects of chorus life. She quickly became Baritone section leader, as well as helping with the Bass section and is an exceptional show emcee.

Lori enjoyed a long career as a pharmacist and retired in 2020. She continues to challenge herself and has become an active member of the Arrangers Certification Program.

An embodiment of the spirit of Sweet Adelines, it is our honour and pleasure to count this amazing person among our members.

Chinook Winds Show Chorus
