

Sue Holmes

Sue has been a member of Desert Sounds for 35 years. She is a most reliable tenor, always knows her music and has great attendance.

She has been doing our Standing Rules forever and our gaming (casino) application and account management forever as well. She has served on the music committee as tenor section leader and also served on the Board many times as President and Secretary.

She sang tenor with After 8 quartet for many years and has been our chorus's awesome pitch pipe blower since the dawn of time.

Desert Sounds is thrilled to nominate Sue and can't think of anyone more deserving.
