

Dianne Martin

Growing up in a family that loved dancing, music and singing, Dianne knew she had found a home with Sweet Adelines, where she could sing in harmony and dance choreo in the front row. After two years with a chorus in Nanaimo (Harbourview), she moved to Saskatoon, was introduced to Magic City Chorus by a co-worker, and has been an active member for 30 years. She found fun and friendship and the opportunity to discover skills and talents she didn't know she had, dance and sing in the front row, and to try new things in a safe and supportive environment.

Dianne has sung both Lead and Tenor. She especially enjoys singing in quartets; Colony Street which with a few changes was active for 17 years, Acquired Taste, and now Harmony Squad. Retired from teaching, and with knowledge from a new job with Saskatchewan Health Authority during the pandemic, Dianne was on our 'Road to the Risers' Committee that designed a plan for our safe return to riser singing.

Dianne has taken leadership roles on the Management Team as Publicity, Marketing, Social Media Coordinator, and as Membership Coordinator. On the Music Team she has been Section Leader, Choreographer, and Makeup Coordinator. Dianne shares her talents generously as a script writer, actor, narrator, or emcee for many of our shows and performances.

Dianne, as a Membership Coordinator, shares the benefits of belonging to a Sweet Adeline chorus. She is positive and enthusiastic in any role she is given, and a genuine asset to our chorus and to Sweet Adelines.

Magic City Chorus is honoured to nominate Dianne Martin, to be recognized for her Spirit of 26!
